INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant would like to thank the Examiner for discussing the Office Action via telephonic interview on March 3, 2005. Mrs. Janice Mooneyham, Mr. Kent J. Sieffert, and Mr. Steve Abernethy participated in the interview. During the telephonic interview, the Applicant and the Examiner discussed (i) the rejections of claims 49-54 and 57-63 under 35 U.S.C. 102(e) as being anticipated by Israel et al. (US 6,766,307).

In particular, Applicant described the general inapplicability of Israel, as discussed in the response submitted 12/6/2004.

During the interview, the Examiner and the Applicant discussed the term "marketplace." Applicant clarified that use of the term by the Applicant refers to an electronic marketplace system.

The Examiner and the Applicant agreed that Israel and the other prior art of record requires a party to manually enter dispute information directly to the dispute resolution system from his or her client device.

Application Number 10/672,136
Interview Summary dated March 3, 2005

The Examiner and the Applicant also agreed that independent claim 49 appears to overcome the prior art of record if amended to include the limitations of claim 54, which requires automatic communication of data between a database of the online dispute resolution system and a database of the electronic marketplace.

During the interview, Applicant agreed to amend claim 49 to include limitations from claim 54. The Examiner indicated that she would reconsider the amended claim.
